Action Items All items identified below are for action at the Commission business meeting.

1. QWEST COMMUNICATIONS, INC. Docket N2001.8.107 (Leroy)

On August 14, 2001, QWEST Communications, Inc, filed Tariff Transmittal 01-26 "Suspension of Service Nonrecurring Charge." Under the existing tariff, when a residence or business customer suspends all services, the suspension of the service nonrecurring charge of \$14.94 for residence and \$30.10 for business is assessed when the service is suspended. Under the proposed tariff, the charge would be assessed when the service is restored. This makes the Montana tariff consistent with the other Quest states in the manner in which the charge is applied. There is no change in the nonrecurring charge. Qwest is requesting a September 4, 2001 effective date for this tariff.
