IN THE MATTER of the Application)
of the TOWN OF ALBERTON For Authority)
To Adopt Increased Water Rates.)

UTILITY DIVISION
DOCKET NO. ~~80-7-71~~
DEFAULT ORDER NO. ~~4722~~

On July 9, 1980, the Town of Alberton (Applicant) filed an application with the Montana Public Service Commission for an order authorizing the Applicant to increase its water rates to provide additional revenue to defray increased costs of operation, to maintain, repair, and improve the water utility facilities.

Having considered the application and the documentation furnished by Applicant in support of its application and deeming itself fully advised in the premises, the Commission makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

1. A Notice of Opportunity for Public Hearing was published in the October 22, 1980 edition of the Missoulian and the October 23, 1980 edition of the Mineral Independent. The notice stated that if no requests for a public hearing were received by November 17, 1980, an appropriate order would be issued based upon evidence submitted with the application.

2. No requests for a hearing were received and no hearing was scheduled.

3. On July 7, 1980, the Town Council of the Town of Alberton passed Resolution No. 109 setting water rates at the proposed level.

4. The Town alleges it needs additional revenue to defray increased costs of operation to maintain, repair, and improve the water utility facilities.

5. The Town anticipates that the proposed increases in rates will increase annual revenues by approximately \$4,000.

CONCLUSIONS OF LAW

1. The Commission has jurisdiction over parties and proceedings in this matter.

2. Interested persons were given proper notice and an opportunity to request a public hearing on this matter.

3. The resulting rate levels are reasonable and just.

ORDER

1. The rates set forth in Appendix "A" attached and by this reference incorporated herein are authorized.

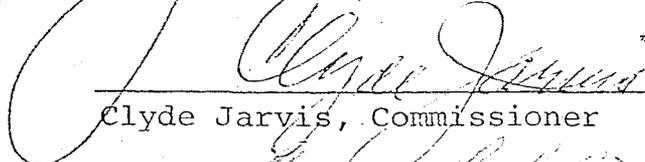

2. The rates shall be effective for all water services rendered on and after November 24, 1980.
