Schedule

Unless modified, the following schedule shall apply in Docket No. 92.3.12:

- (a) October 19, 1992: Final day for completion of the prepared testimony and exhibits of all parties except GTE.
- (b) November 2, 1992: Final day for written discovery directed to parties by GTE; final day for intervenor discovery to other intervenors.
- (c) November 9, 1992: Final day for completion of answers by parties to written discovery made pursuant to paragraph 4(b).

- (d) November 23, 1992: Final day for service of rebuttal testimony by GTE and testimony of other parties which is in rebuttal to testimony filed pursuant to paragraph 4(a).
- (e) December 7, 1992: Final day for written discovery directed to parties that filed rebuttal testimony pursuant to paragraph 4(d); such discovery must be directly related to the rebuttal testimony.
- (f) December 21, 1992: Final day for completion of answers by all parties to discovery made pursuant to paragraph 4(e).
- (g) January 13, 1993: Final day to provide the Commission and parties with a witness list indicating the sequence that witnesses will be called by the parties at the hearing; final day for any party that intends to introduce evidence, data requests or other discovery as part of its basic case to notify all parties of the specific data requests or other discovery it plans to so introduce.
- (h) January 20, 1993: Opening day of hearing in Docket No. 92.3.12.

As it pertains to GTE testimony, exhibits and discovery filed in response to the letter of Interbel Telephone Cooperative (filed with the Commission on April 21, 1992), such testimony, exhibits and discovery shall be filed in accordance with the deadlines established for the filing of testimony, exhibits and discovery by parties other than GTE. As an example, the final day for completion of the prepared testimony and exhibits of all parties except GTE is October 19, 1992. Therefore, the final day for completion of the prepared testimony and exhibits of GTE filed in response to the Interbel letter is also October 19, 1992.

Nothing in this Order shall be construed as otherwise affecting the Procedural Order adopted (Order No. 5632a) in this Docket.
