**PROTECTIVE ORDER**

On February 17, 2004, Blackfoot Telephone Cooperative, Inc. (Blackfoot), filed a motion for protective order, requesting protection of traffic data, including customer-related number, cost, and usage information. The motion is accompanied by an affidavit supporting protection of the information from uncontrolled disclosure on the basis that the identified information is trade secret in accordance with § 30-14-402, MCA.

The Public Service Commission (PSC or Commission) determines Blackfoot has shown good and sufficient cause in fact and law that the information for which protection is requested is entitled to protection from uncontrolled public disclosure pursuant to § 69-3-105, MCA. Therefore, the PSC grants Blackfoot's request and hereby orders that information submitted in accordance with this Order be treated as "confidential information" under the terms of this Order and PSC protective order rules, ARM 38.2.5001 through 38.2.5030.

The PSC is presently considering necessary changes, if any, to its protective order process as a result of recent litigation. All protective orders issued until the question of changes has been resolved are subject to modification. Providers will be notified and provided an opportunity to respond in the event modification of this protective order is required.
