**NOTICE OF STAFF ACTION**

On September 27, 2011, at the conclusion of the hearing in this docket, the Montana Public Service Commission (Commission) set the deadline for post-hearing briefing. The Commission established October 18, 2011 as the deadline for initial briefs and October 25, 2011 for response briefs. The attorney for Mountain Water requested twice that the deadline for briefing be extended or changed to allow the parties additional time to negotiate outstanding issues. The other parties in the docket had no objection to the changes to the briefing schedule. The parties agreed that only one brief will be submitted by each party and the deadline for submittal of that brief is November 1, 2011.

Notice of staff action done this 24<sup>th</sup> day of October, 2011.
