 - e. Date and time the OOS trouble was cleared
 - f. Description of the action taken to clear the trouble
 - g. Did the trouble involve outside plant, and if so, did it involve a subscriber carrier system?

On October 6, 2014, CenturyLink QC filed a Motion for Protective Order in Docket No. N2014.4.38 seeking protection from public disclosure of the information contained in the above mentioned reports. At its November 13, 2014 open meeting the Commission granted CenturyLink QC's motion which is memorialized in Order No. 7345a with a service date of November 24, 2014.

Therefore, in accordance with the above referenced August 24, 2014 and November 12, 2014 Notices of Commission Action, and Order No. 7345a granting of CenturyLink QC's motion for protection from public disclosure, CenturyLink QC is filing herewith on yellow paper in Docket No. D2014.11.91 the following **confidential** reports:

- The OOS<24 Hours report for the Month of March, 2014, for each legacy Qwest wire center in the same format as the OOS<24 Hours reports provided to the PSC in March, 2014.

Questions about this confidential report can be directed to me.

Respectfully,
