**Re: PPL EnergyPlus, LLC and PPL Treasure State, LLC
Montana Renewable Portfolio Standard Compliance Year 2011 and 2012
Docket N2012.1.1**

Dear Jason,

Please find attached PPL EnergyPlus, LLC's (PPL EnergyPlus) and PPL Treasure State, LLC's, (PPL Treasure State) Montana Renewable Portfolio Standard (RPS) Compliance Forms for Electricity Suppliers for Compliance Year 2011 which were also eFiled on March 27, 2012. As the forms indicate, PPL Treasure State is a Competitive Electricity Supplier (CES) in 2011 and PPL EnergyPlus is once again not a CES.

In your letter from the Montana Public Service Commission (Commission) dated January 20, 2012 to PPL EnergyPlus, you raised issues about PPL EnergyPlus' status as a CES. As Michael J. Rieley, P.C.'s letter of February 10, 2012, in response to your January 20th letter stated, PPL EnergyPlus has never been a CES nor is PPL EnergyPlus a CES in 2012.

Accordingly, PPL EnergyPlus looks forward to written confirmation from the Commission that the Commission does not expect PPL EnergyPlus to file as a CES in 2013.

Respectfully,
