Our cash management activities result in cash being swept to and from ONEOK, Inc. (ONEOK), generating affiliate payables and receivables. Our policy is to present the net cash sweep activity in financing activities when the associated affiliate balance is in a payable position, and as investing activities when the affiliate balance is in a receivable position.

We have no contingencies at this time.
- 3. We do not directly employ any of the persons responsible for managing, operating, or providing us with services related to our day-to-day business affairs. We have a service agreement with ONEOK, ONEOK Partners GP, L.L.C., and NBP Services, L.L.C. under which our operations and the operations of ONEOK and its affiliates can combine or share certain common services in order to operate more efficiently and cost effectively.
- 4. The ONEOK Elk Creek Pipeline is a 900-mile, 20-inch diameter pipeline from the Williston Basin to the Mid-Continent region. In July 2019, the southern portion of the pipeline from the Powder River Basin to existing Mid-Continent facilities was completed. In December 2019, the northern portion of the pipeline from the Williston Basin to the Powder River Basin was completed.
- 5. As a limited liability company, we do not directly pay federal income tax. Taxable income or loss is included in the federal income tax returns for each partner.
