PSC'S NEW WORLD WIDE WEB SITE DEBUTS OCTOBER 4

Internet users are invited to visit the state Public Service Commission's new world wide web site, which will be up and running Friday, October 4. Users will find the new site at:
<http://www.psc.mt.gov>. There is also a link to the PSC site from the State of Montana's home page at <http://www.mt.gov>.

Visitors to the PSC site may search the PSC's data base for hearing dates, docket information and commission orders, or contact the five commission members or PSC staff directly by electronic mail. Other information on the site includes:

- general information about the commission and its members;
- PSC press releases since 1995 and the most recent annual report;
- the PSC's weekly agenda, monthly calendar and meeting minutes;
- consumer information and how to file a complaint about a utility;
- links to public utility regulation resources in other states.
