PSC MEMBERS TO ATTEND MEETING DECEMBER 5  
ON ELECTRIC & GAS UTILITY RESTRUCTURING PROPOSALS

Members of the state Public Service Commission will attend a meeting December 5 in Helena to discuss possible proposals for the upcoming legislative session that would restructure important elements of Montana's electric and natural gas utilities.

The meeting will begin at 9 a.m. in the Capital Room of the Colonial Inn Best Western, 2301 Colonial Drive.

The purpose of the meeting is to have a broad discussion of possible legislation, including a proposal for utility restructuring drafted by Montana Power Company. Other topics to be discussed include principles of legislation regarding restructuring, alternatives to MPC's draft, and whether any restructuring legislation should be introduced in the upcoming session of the state legislature.
