**PSC WILL HOST FEBRUARY 7 ROUNDTABLE DISCUSSION  
OF DEFAULT ELECTRICITY SUPPLIER ISSUES**

The state Public Service Commission will host a roundtable discussion of default electricity supplier issues on Monday, February 7, beginning at 10:30 a.m., at the PSC's Bollinger Room, 1701 Prospect Ave., in Helena. Default suppliers will supply electricity to residential and other small customers who have not selected competitive suppliers during the transition to competitive electricity supply markets.

The focus of the discussion will be the public interest and technical issues related to default supply policies.
