**PSC TO HOLD HEARING ON A COMPLAINT  
AGAINST FAIRMONT HOT SPRINGS RESORT**

The state Public Service Commission will hold a public hearing in Fairmont on Wednesday, April 27, concerning the billing complaint against the Fairmont Hot Springs water utility by Dan Wheeler, a customer of the utility.

The hearing will be held at 10 a.m. in Room 107, Fairmont Hot Springs Resort.

Mr. Wheeler's complaint alleges that Fairmont engaged in double billing for one quarter of last year's annual irrigation charge by charging the annual irrigation fee in June 2004 and by charging for metered irrigation water usage after September 1, 2004.
