**PSC TO HOLD HEARING JUNE 28 IN GREAT FALLS  
ON APPLICATION OF CITY OF GREAT FALLS AND ELECTRIC CITY POWER  
TO OPERATE A COMMERCIAL AND RESIDENTIAL  
ELECTRICITY SUPPLY PROGRAM**

The state Public Service Commission will hold a hearing in Great Falls on Wednesday, June 28, concerning the application of the city of Great Falls and Electric City Power to operate a limited, small commercial and residential electricity supply program.

The hearing will begin at 10 a.m. in the Heritage Hall Auditorium, Montana State University College of Technology, 2100 16<sup>th</sup> Avenue South, in Great Falls.

The application involves a combination of 20 residential and small commercial customers. The Montana Consumer Counsel, which represents residential and small business customers in PSC proceedings, has stipulated that it does not oppose a program of the size proposed by the City.
