Hello President Brown,

This is through August 31 and that is why the total is different from the amount in the email below. I am working on creating the formal travel report that will show more detail of each trip. That report will be updated monthly as will the budget status report.

Thanks.

Staci

Thank you

I would like a travel break down by commissioner and by category, i.e. commissioner travel v. staff

Subject: Travel Costs

President Brown,

Staci ran a report and travel for this fiscal year so far is \$12,844.01. That amount doesn't include any credit card charges since 8/23.

With all the current anticipated travel between now and December, it will easily add an additional 18K or more.

Staci plans to run the line-item travel report when she's back in the office.
