NorthWestern Energy (2022.07.078) (Lucas Hamilton)

On September 26, 2022, NorthWestern Energy ("NorthWestern") filed a motion for a special protective order regarding materials involved in Commission staff's on-site regulatory audit scheduled for October 11, 2022. In an audit letter dated September 26, 2022, Commission staff identified 14 categories of information staff intended to review during the audit. The order would not affect the right of any party to request information, in

which case NorthWestern may request a subsequent protective order applicable to all parties in the proceeding.
