Notes to Financial Statements (continued)									

1. The financial statements of ONEOK Bakken Pipeline, L.L.C. are prepared in accordance with accounting requirements of the Federal Energy Regulatory Commission, as set forth in the applicable Uniform System of Accounts and published accounting releases ("FERC USA"), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("US GAAP").

Our cash management activities result in cash being swept to and from a subsidiary of ONEOK, Inc. (ONEOK), generating affiliate payables and receivables. Our policy is to present the net cash sweep activity in financing activities when the associated balance is in a payable position, and as investing activities when the balance is in a receivable position.

- 2. Our accounting for contingencies covers a variety of business activities, including contingencies for legal and environmental exposures. We accrue these contingencies when our assessments indicate that it is probable that a liability has been incurred or an asset will not be recovered, and an amount can be reasonably estimated. We have no contingencies at this time.
- 3. We do not directly employ any of the persons responsible for managing, operating or providing us with services related to our day-to-day business affairs. We have a service agreement with ONEOK, ONEOK Partners GP, L.L.C., and NBP Services, L.L.C. under which our operations and the operations of ONEOK and its affiliates can combine or share certain common services in order to operate more efficiently and cost effectively.
- 4. None
- 5. As a limited liability company, we do not directly pay federal income tax. Taxable income or loss is included in the federal income tax returns for each partner.
- 6. None
